IRIS ◆ EMPIRE

Compliance Pack

What every EU reseller needs to stock Iris Empire. Provided per order — no extra chase.

Documentation shipped with your order

CLP LABELS

Pre-printed, compliant hazard and allergen labelling for the EU market — supplied per order.

GPSR — EU RESPONSIBLE PERSON

An EU-established responsible person named on every shipment, as required by the General Product Safety Regulation (2024/12/13).

IFRA CERTIFICATE

Fragrance conformance to IFRA standards, supplied per batch.

REACH & SDS

REACH SVHC declaration and Safety Data Sheet available on request.

DDP — VAT & CUSTOMS SOLVED

Delivered duty-paid to 27 EU states; the invoice is your landed cost.

BATCH DOCUMENTATION

Certificate of Analysis and batch records available to complete your file.

EU RESPONSIBLE PERSON

[Your EU Responsible Person — to be appointed]

Required under GPSR (effective 13 Dec 2024). Insert the name, address and contact of your EU-based responsible person before first shipment. Iris Empire supplies the CLP label and IFRA files; the responsible-person entity is the importer's / brand's appointment.

This pack summarises the documentation accompanying Iris Empire shipments. It is informational and not a substitute for legal or regulatory advice. Confirm current requirements with your EU responsible person and notified body.
