Compliance & shipping

EU-ready paperwork

Every shipment travels with a CLP-compliant label, an EU responsible person and IFRA documentation. REACH SVHC declaration and SDS on request.

Delivered duty-paid

DDP to all 27 EU states — customs and VAT settled before the box moves. The invoice is your landed cost.

Print & label

Full-colour custom print on paper and cards; your brand on vessel, carton and label for private label.

Prices are indicative FOB and exclude freight and DDP. Final terms are issued on the trade sheet after enquiry. Scent life and material specs are typical values for stock formulations; bespoke scents develop from brief in ~8 weeks.
